- 1) Agreement
 - (a) Subject to this Agreement, State One will deal (or will instruct third persons to deal) on Your behalf in Financial Products traded on Australian Securities Exchange Ltd ("ASX"), Chi-X Australia Pty Ltd ("CHI-X") or any other stock exchange (an "Exchange") in accordance with Your instructions.
 - (b) You and State One are bound by and will comply with the Corporations Act, the ASIC Market Integrity Rules, the Operating Rules that apply to each Relevant Exchange, the ASX Clear Operating Rules and ASX Settlement Operating Rules, any other directions, decisions and requirements, customs, usages and practices of the ASX or any other Exchange where any dealing in Financial Products takes place.
- 2) You acknowledge that any dealing in Financial Products through **amscot** Stockbroking has occurred without any advice having been given to You by State One, or any related Company, or any officer, agent or employee of any State One Capital Group company. You acknowledge that neither State One nor any of its staff have been provided with any information about Your investment objectives, financial situation or particular needs in respect of this account.
- 3) You acknowledge that You are required to either provide State One with sufficient monies or scrip to settle an order prior to placing it, or to otherwise indicate the ability to meet their obligations in this regard on or before the settlement date. You will normally be required to have established a Cash Management Account with a financial institution accessible by State One and to have deposited sufficient cleared funds with that account to cover the cost of Financial Products purchased.
- 4) In any instance where State One does not hold monies and scrip on Your behalf sufficient to effect settlement, You will upon receipt of the confirmation note:
 - (a) for a purchase, pay the purchase price to State One by no later than 10.00 am Australian Eastern Standard Time on the Settlement Date specified on the confirmation note; or

State One will not accept payments in cash or by credit card. You will make all payments under this agreement either to State One directly or to its bank, by cheque, BPay® or other means acceptable to State One, and not by cash or credit card.
- 5) If you fail to settle a contract by the Settlement Date as required by this Agreement, State One is entitled to resell or repurchase, as the case may be, the Financial Product the subject of the confirmation at Your risk and expense (including any applicable brokerage, GST and administration fees) and claim any resulting loss from You.
- 6) This Agreement applies to all transactions in all Financial Products including without limitation, equities, exchange traded options and warrants, but does not include futures contracts. Where You propose to execute transactions in exchange traded options or warrants, You must first execute and deliver to State One the Australian Options Market Client Agreement or the ASX Warrant Client Agreement, as the case may be.
- 7) You acknowledge and agree that:
 - (a) You will take all reasonable steps to obtain and communicate to State One all information and deliver or cause to be delivered to State One all documents with respect to dealings in Financial Products on an Exchange which are requested by a person having a right to request such information or documents, and deliver or cause to be delivered all documents to the person so requesting;
 - (b) a notice signed by any director, manager or other authorised employee of State One stating the amount of monies due and payable by You is prima facie evidence of the same;
 - (c) State One may obtain credit reports on You for the purpose of assessing the circumstance in which State One will require payment of monies or delivery of scrip prior to placement of an order. Credit information acquired by State One about You may be disclosed by State One to credit reporting agencies.

State One is not obliged to make any enquires as to any of the matters referred to in this clause and is entitled to act, and You hereby instruct State One to act upon any such instructions believed by it to be genuine and to be given by a person duly authorised to give such instructions.

 - (a) brokerage at such rates as may be advised by State One from time to time;
 - (b) any fees, taxes or other charges as may from time to time be levied on or in connection with any dealings in Financial Products entered into on Your behalf; and

- 20) Save for any liability which cannot be excluded, State One, its employees and agents disclaim all responsibility for any loss or damage which may be suffered by You or any other person directly or indirectly through Your dealings with State One howsoever that loss or damage is caused and whether that damage is caused by any fault or negligence on the part of State One or otherwise.
- 21) The contents of confirmation notes and statements issued by State One to You are prima facie evidence of the truth of their contents and that the dealings were executed in accordance with Your instructions. If no objection is received from You within 48 hours of service of a confirmation note or statement You are deemed to have accepted and ratified its contents which shall (in the absence of manifest error) be conclusive.
- 22) You agree to abide by ASX Operating Rules and Procedures -Section 15, which enables the ASX to deal with transaction errors and enables the ASX, in some cases, to cancel trades without having to first obtain the client's permission or agreement. Where You do not agree to cancel a transaction completed in error and the matter is referred to the ASX Dispute Governors' Committee, fees and charges may be payable and may be passed onto You.
- 23) These terms and conditions may be varied by giving You not less than five (5) business days notice (in writing or by electronic mail). Any continued use of the account by You following any such variation shall indicate an acceptance of the variation.
- 24) If You are more than one person, then all persons, including any Third Party, are jointly and severally bound by these terms and conditions.
- 25) You consent to receive Confirmations (Contract Notes) and other information provided by State One (from time to time) via email.
- 26) You agree to notify us in writing or through a facility provided by us of changes in Your details that are relevant to any dealing or proposed dealing. Email is not an acceptable method of notification of such changes. Information which is relevant to any dealing includes Your:
 - (i) name; (ii) postal address; (iii) contact phone number, fax number and email address;
 - (iv) bank account details; and (v) settlement instructions.
- 27) You undertake not to reveal to anyone the access code, secret keyword, account number or password for Your Account. You undertake not to allow any unauthorised person to issue any instructions on Your Account. You will abide by the following:
 - do not let anyone watch You enter Your access code, secret keyword, account number or password;
 - do not let anyone hear You discuss Your access code, secret keyword, account number or password;
 - do not permit anyone other than Your accountant and financial advisors to view Your trade confirmations or trading statements;
 - if any codes, keywords or passwords are advised or confirmed by letter, we suggest that they be memorised as soon as the letter is received. The letter should then be destroyed;
 - make a reasonable attempt to disguise any code, keyword or password in any record – that is scramble the details so others will not be able to readily decode them.

- 28) State One is not liable to reimburse You if any unauthorised transaction occurs on Your Account and You or any other user have not made a reasonable attempt to disguise a code, keyword or password or to prevent unauthorised access to such records.
- 29) You are responsible for fraudulent, illegal or unauthorised dealings on Your Account which are attributable to Your conduct, and You release and discharge State One from liability in this regard.
- 30) You represent that at all times during Your dealings with us You will be in a position to meet Your commitments and obligations arising from these dealings.
- 31) You represent that when You wish to sell shares, You own those shares and that they are available for delivery, and when You wish to buy shares, You will have sufficient funds to pay for those shares at the time the order is placed, and at the time the order is settled.
- 32) If we consider it is in our reasonable interest to do so and to the extent permitted by law, we may decline to act on Your behalf in relation to any particular dealings, without explanation or advance notice. Additionally, we may decline to act on Your behalf:
- where the original instruction is more than 9 weeks old and has not been reconfirmed;
 - where the basis of quotation for the security has changed and the order has not been reconfirmed;
 - where the security has been subject to a trading halt and the order has not been reconfirmed;
 - where the ASX has purged the order from the trading platform;
 - where we believe the transaction would result in no change of beneficial ownership;
 - where we believe the transaction would have the effect, or is likely to have the effect of creating a false or misleading appearance of active trading in any securities or with respect to the market for, or the price of, any securities; or
 - where we believe the instructions are ambiguous, incomplete or unclear.
- 33) We will not be responsible for any loss or liability incurred by You where we do not receive Your instructions or where any dealing or proposed dealing is interrupted, unable to be completed or unable to take place due to the failure of any telephone, computer, other electronic or technological service.
- 34) We will not be responsible for any loss or liability incurred by You where we are unable to receive or act on Your instructions due to circumstances that are beyond our reasonable control eg riot, civil disturbance.
- 35) You authorise us to record any telephone conversation(s) between You and us, with or without an audible tone warning device.
- 36) You acknowledge that we are not responsible for missed market opportunities during the time it takes us to follow our internal procedures, for example: opening accounts, transferring Participant Sponsored Holdings, or confirming Your identity.
- 37) You acknowledge that we will make all reasonable attempts to enter Your instructions to buy or sell securities as quickly as possible. However, should delays be experienced:
- (a) in connection with the number of participants or persons attempting to participate in the market at a point in time;
 - (b) due to verification procedures or unauthorised processes; or
 - (c) due to call waiting time or adherence to internal procedures;
- we will not be liable for any claims or lost opportunity.
- 38) You acknowledge that we will make all reasonable attempts to effect any instructions to cancel or amend orders as quickly as possible. However, should an order be filled prior to a cancellation or amendment instruction being effected You will be obliged to accept the transaction/s on the original terms. Whilst all reasonable attempts will be made to inform You when the order is filled prior to amendment or cancellation instruction being effected, we are not obliged to do so.
- 39) You acknowledge and accept that there may be delays in processing between the time an amendment or cancellation instruction is dealt with by us and the time the amendment or cancellation is effected on market. In the event an order is filled between the time it has been "approved" by us and the time we effect the instruction on market, You will be obliged to accept the transaction on the original terms.
- 40) If You are uncertain as to whether Your order has been received, You will make all reasonable attempts to verify whether the order has been received, approved and effected prior to taking further action. You agree to issue specific cancellation or amendment instructions with respect to an existing order and not to attempt to effect such changes by placing a second or duplicate order. You will be solely responsible and liable for any duplicate instruction that You place.

Internet Trading Rules

- 41) State One will provide You with internet-based Straight Through Processing ("STP") provided You follow the Trading Rules, as detailed below:
We only accept buy and sell orders from the holders of valid **amscot** accounts, or holders of a valid Third Party Authority.
To be accepted and qualify for our Internet brokerage rates, online orders must comply with these Trading Rules.
When an order is received that does not comply with these Trading Rules, we will endeavour to contact You. However, You are ultimately responsible for revising Your order so that it complies with these trading rules. We will not be held responsible for any loss that may arise when an order is not accepted.
These Trading Rules apply to all dealings between You as a client and us. We reserve the right to vary these Trading Rules at any time. Any such variation shall apply to any further dealing by You after it takes effect.

Limit Order

All orders must be submitted 'At Limit'.
An 'At Limit' order will not be accepted, without any advice to You, if we consider the limit price to be too far away from the prevailing market price of the stock.
Limit orders can be amended or cancelled provided the order has not already been executed.

Buy Orders

Buy orders can be placed for all listed securities.
State One reserves the right at all times to decline to act on Your behalf or accept Your instructions:

- unless You have deposited in advance with State One sufficient cleared funds in Australian currency to cover the full value and costs of any "Buy" orders;
- when such funds are forwarded through a foreign financial institution, they are only acceptable if received by way of telegraphic transfer only;
- where Your instructions are believed by State One to be unclear, ambiguous or incomplete.

Sell Orders

We do not accept short selling orders under this service.
Sell orders will only be accepted when selling Issuer-sponsored stock, if the Shareholder Reference Number (SRN) of the holding is quoted at the time of placing the trade and the number of units available is sufficient for settlement of the trade.
Sell orders may not be accepted if:

- there are insufficient units available for settlement in Your Participant Sponsored Holdings sponsored by us; or
- there are insufficient units available for settlement in an Issuer-sponsored holding quoted by You; or
- an invalid SRN for Issuer-sponsored stock is supplied; or
- more than one valid SRN for Issuer-sponsored stock is supplied; or
- stock is Participant Sponsored by a broker other than us.

Orders not accepted online

Orders involving any of the following do not qualify for our Internet brokerage rates and can only be placed over the telephone:

- where registration details are required to be different from Your **amscot** account details; or
- where payment is required to be made in the name of a person or entity other than the account holder; or
- where Your payment instructions are different from the standing instructions for Your **amscot** account; or
- for any shareholding on a Shareholder Reference Number (SRN).

General

Except as provided for in Clause 26 of our **general conditions of trade**, a limit order if not cancelled or executed earlier is valid for:

- warrants and day only orders – for that business day only;
- share limit orders – 9 weeks after the date Your order is placed in the market.

Usually, an order received after market closing time is treated as an order received on the next trading Business Day.

In the event of a change in the basis of quotation of a stock (eg the stock going ex-dividend), Your outstanding order will be purged by the Relevant Exchange prior to the expiry date.

You acknowledge that Your orders may be purged from the market subject to the Articles, ASX Operating Rules, procedures, customs, usages and practices of the ASX without notice to You. You further acknowledge that State One is not obliged to notify You of any orders which are purged from the market, although State One will make all reasonable endeavours to notify You of such. State One is not liable if You do not receive notification in this regard. An order that is cancelled or purged by the Relevant Exchange will not be reinstated by State One without instructions from You.

State One reserves the right to decline to act on Your behalf or accept Your instructions where the security or other investment medium has been subject to a trading halt and You have not reconfirmed Your instructions after the halt has been lifted.

State One reserves the right to decline to act on Your behalf or accept Your instructions where in the opinion of State One Your instructions breach or may breach any law or statutory or other regulatory requirements, including without limitation any rules or regulations of the ASX.

We reserve the right to take such steps as we consider necessary to check the bona fides of any client, order or instruction before acting on that order or instruction.

- 42) You acknowledge the following in relation to Your access to STP:
- a. any orders placed by You using STP will need to meet filters set by State One from time to time. State One may amend its filters from time to time without notification. State One is not required to inform You what the filters are;
 - b. that it is possible for an order placed by You to be matched with another order also placed by State One. This 'crossing' may be with an order by another client of State One or with an order by State One itself. State One may as a result receive brokerage from both clients;
 - c. that STP is only available on 'limit' orders for securities with a normal status (i.e. not suspended or in a trading halt) and is operated between the hours of 9:30am and 4:00pm Australian Eastern Standard Time;
 - d. if Your order does not pass the filters, then it will be referred to a Designated Trading Representative ("DTR") for evaluation. In some cases the DTR has the authority not to place the order on market until You become contactable to confirm the order. State One is not liable for any delays in placing Your order as a result or for Your order not being placed at all;
 - e. that the relevant trading platform operating schedule defines the various phases of the platform and at what time they happen. You are aware that an important point is the Opening phase, in which the market opening times are staggered depending on the starting letter of the Exchange code. The trading platform will not allow input of orders during these opening times. The Schedule below approximately describes these various phases.

5. NOTIFICATIONS AND ACKNOWLEDGEMENTS

5.1 You acknowledge that if State One is not a Participant of an Approved Market Operator, neither the Approved Market Operator nor any related party of the Approved Market Operator has any responsibility for supervising or regulating the relationship between You and State One, other than in relation to the Rules relating to Sponsorship Agreements.

5.2 You acknowledge that if a Transfer is taken to be effected by State One under Section 9 of the ASX Settlement Rules and the Source Holding for the Transfer is a Participant Sponsored Holding under the Sponsorship Agreement, then:

(a) You may not assert or claim against ASX Settlement or the relevant Issuer that the Transfer was not effected by State One or that State One was not authorised by You to effect the Transfer;

and

(b) unless the Transfer is also taken to have been effected by a Participant of an Approved Market Operator or a Clearing Participant of ASX Clear, You have no claim arising out of the Transfer against the relevant fidelity fund under Part 7.5, Division 4 of the Corporations Regulations.

5.3 In the event that State One breaches any of the provisions of this Agreement, You may refer that breach to any regulatory authority, including ASX Settlement.

5.4 In the event State One is suspended from CHESS participation, subject to the assertion of an interest in Financial Products controlled by State One, by the liquidator, receiver, administrator or trustee of State One:

(a) You have the right, within twenty (20) Business Days of ASX giving Notice of Suspension, to give notice to ASX requesting that any Participant Sponsored Holdings be removed either:

(i) from the CHESS Sub-Register; or

(ii) from the control of State One to the control of another Participant with whom You have concluded a valid Sponsorship Agreement pursuant to Rule 12.19.10; or

(b) where You do not give notice under Clause 5.4.(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11 and You shall be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as State One's Sponsorship Agreement. Where You are deemed to have entered into a Sponsorship Agreement, the new Participant must enter into a Sponsorship Agreement with You within ten (10) Business Days of the change of Controlling Participant.

5.5 You acknowledge that before You executed the Sponsorship Agreement, State One provided You with an explanation of the effect of the Sponsorship Agreement and You understood the effect of the Sponsorship Agreement.

5.6 You acknowledge that in the event of Your death or bankruptcy, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with the ASX Settlement Rules, unless the Participant Sponsored Holding's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHESS Sub-Register.

5.7 You acknowledge that in the event of Your death, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer Your estate, subject to the consent of the legally appointed representative, for a period of up to three calendar months after the removal of a Holder Record Lock applied pursuant to Clause 5.6.

FOR JOINT HOLDINGS ONLY

5.8 You acknowledge that in the event of the death of one of the Holders, State One will transfer all Holdings under the joint Holder Record into a new Holding under a new Holder Record in the name of the surviving Participant Sponsored Holder(s), and that this Sponsorship Agreement remain valid for the new Holdings under the new Holder Record.

5.9 You acknowledge that in the event of the bankruptcy of one of the Holders State One will:

(a) unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Participant Sponsored Holdings from the CHESS Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under a new Holder Record and request

that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder record; and

- (b) establish a new Holder Record in the name(s) of the remaining Participant Sponsored Holder(s) and Transfer the interest of the remaining Participant Sponsored Holder(s) into new Holdings under the new Holder Record.

6. CHANGE OF CONTROLLING PARTICIPANT

- 6.1 If You receive a Participant Change Notice from State One for Your Participant Sponsored Holding and the Participant Change Notice was received at least 20 Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, You are under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in Clauses 6.2 or 6.3.
- 6.2 You may choose to terminate the Agreement by giving Withdrawal Instructions under the ASX Settlement Rules to State One, indicating whether You wish to:
- (a) transfer Your Holding to another Controlling Participant; or
- (b) transfer Your Holding to one or more Issuer Sponsored Holdings.
- 6.3 If You do not take any action to terminate the agreement in accordance with 6.2 above, and You do not give any other instructions to State One which would indicate that You do not agree to the change of Controlling Participant then, on the Effective Date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the Effective Date:
- (a) the New Controlling Participant is a party to the Agreement in substitution for State One;
- (b) any rights of State One are transferred to the New Controlling Participant; and
- (c) State One is released by You from any obligations arising on or after the Effective Date.
- 6.4 The novation in Clause 6.3 will not take effect until You have received a notice from the New Controlling Participant, confirming that the New Controlling Participant consents to acting as the Controlling Participant for You. The Effective Date may as a result be later than the date set out in the Participant Change Notice.
- 6.5 You will be taken to have consented to the events referred to in Clause 6.4 by the doing of any act which is consistent with the novation of the Agreement to the New Controlling Participant (for example by giving an instruction to the New Controlling Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.
- 6.6 The Agreement continues for the benefit of State One in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation in Clause 6.3 not binding or effective on the Effective Date, then the Agreement will continue for the benefit of State One until such time as the novation is effective, and State One will hold the benefit of the Agreement on trust for the New Controlling Participant.

- 6.7 Nothing in this Clause 6 will prevent the completion of CHES transactions by State One where the obligation to complete those transactions arises before the Effective Date and the Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Agreement to the New Controlling Participant under this Clause 6.

- 6.8 ASX Settlement will not accept a Notice of change of Controlling Participant under Rule 8.17 where Holdings to which the Notice relates comprise AQUA products and the new Controlling Participant is not accredited in accordance with Section 18 of the Rules to facilitate the settlement of AQUA Products. In this instance your existing controlling participant must convert the AQUA Product Holdings to Holdings on the Issuer Sponsored Sub-Register. If State One fails to convert the AQUA Product Holdings to Holdings on the Issuer Sponsored Sub-Register, ASX Settlement may convert AQUA Product Holdings to Holdings on the Issuer Sponsored Sub-Register.

- (a) by notice in writing from either You or State One to the other party to the Agreement;

9. VARIATION

- 9.1 Should any of the provisions in this Agreement be inconsistent with the provisions in the ASX Settlement Rules, State One shall, by giving You no less than 7 Business Days written Notice, vary the Agreement to the extent to which in State One's reasonable opinion is necessary to remove any inconsistency.

Explanation of Participant Sponsorship Agreement (for CHES)

Under clause 5.5 of the Participant Sponsorship Agreement ("**Agreement**"), State One is required to provide an explanation of the effect of entering into such an Agreement. Please ensure you read this explanatory information and should you have any questions, you should contact an Amcscot dealer or the State One Compliance Officer.

What is CHES?

CHES (Clearing House Electronic Sub-Register System) is a computer system that registers securities. CHES transfers legal ownership of securities between buyers and sellers. CHES also facilitates the transfer of monies for securities.

CHES is operated by ASX Settlement and Transfer Corporation ("ATSC"), a wholly owned subsidiary of ASX.

CHES has a monopoly on the securities clearing function in Australia, doing the securities clearing for ASX and other exchanges including Chi-X Australia and Asia Pacific Exchange Limited.

What is the Purpose of the Agreement?

Before Your shares can be registered on CHES, an agreement must be entered into between You and an approved CHES sponsor. State One, as a full trading, clearing and settlement of ASX and other key Australian exchanges, is an approved CHES sponsor. The Agreement sets out the terms and conditions by which you appoint State One as a sponsor.

In this explanation:

"You / Your" means the party/parties to this Agreement as a Participant Sponsored Holder.

"State One" means State One Stockbroking Ltd [ABN 95 092 989 083], holder of an Australian Financial Services Licence (AFSL # 247100) and a Participant of ASX Group, Chi-X Australia and Asia Pacific Exchange.

"AQUA Product" means an Approved Financial Product that is admitted under Schedule 10A of the ASX Operating Rules, and is a Managed Fund Product (as defined in the ASX Operating Rules) which is issued by or provided pursuant to a "simple managed investment scheme" (as defined in the Corporations Regulations) in relation to which the issuer provides disclosure in the form of a shorter amcscot Account Application Form – Terms and Conditions V4.0 20161209

PDS in accordance with Part 7.9 Division 4, Subdivision 4.2C of the Corporations Regulations. ETFs and Structured Products (as those terms are defined in the ASX Operating Rules) are not AQUA Products for the purposes of these Rules.

Explanation of the Agreement

1. Interpretation

Indication as to where meanings for terms defined can be located.

1. Mandatory Provisions

State One's Rights

You must pay State One within 2 business days of a purchase of shares. Where payment is not received, State One is not obliged to transfer these shares and if payment remains outstanding, State One may sell those shares at Your risk and expense (this includes brokerage, GST and stamp duty). Any loss arising is payable by You.

Where monies are legally owed to State One, State One can refuse to transfer Your holdings to the extent that at least 120% of the current market value remains. For example, if You owe State One \$10,000 and You currently have holdings of \$20,000 (current market value), State One can refuse to transfer \$12,000 of Your holdings.

Your Rights

State One will initiate any transfer or conversion within 2 business days and we will only do so if requested by You.

If You have any questions about State One's Australian Financial Services Licence (AFSL) You can contact ASIC for further information.

Should You have a complaint with State One and You don't believe the complaint has been dealt with by State One appropriately You can lodge a complaint with the Financial Ombudsman Service ("FOS").

2. Other Rights and Duties

You must supply all information reasonably requested to allow State One to comply with requirements.

For exchange traded options ("options"), where You lodge holdings sponsored by State One as cover for a written position and You inform State One, You authorise State One to do whatever is required to satisfy ASX Clear Pty Ltd ("ASX Clear") requirements.

Where You arrange a charge over holdings sponsored by State One, You authorise State One to do whatever is required to give effect to that arrangement.

Where a sub-position (as per Rule 14.1.3) is created through the actions of State One, in accordance with the Agreement and Your instructions, You agree that any transfers or conversions will be restricted in accordance to the Rules relating to sub-positions (e.g. acceptance of a take over offer or the lodgement of stock as collateral for an ETO position)

The Agreement does not override any interest that ASX Clear may have.

You must pay all brokerage and associated transactional costs to State One within the prescribed period.

3. Notifications and Acknowledgements

The Approved Market Operator (or related party) does not have any responsibility to You if State One is **not** a Participant of the Approved Market Operator. State One is a Participant of ASX Group ("ASX"), Chi-X Australia ("Chi-X") and Asia Pacific Exchange Ltd ("APX").

Where a transaction sponsored by State One occurs under Section 9 of the ASX Settlement Rules You cannot claim that State One did not perform the transaction or that it was not authorised by You. Where a transaction is not effected by a Participant of an Approved Market Operator, You will have no claim against the relevant compensation arrangement (refer clause 6 below).

You may notify any regulatory authority, including ASX Settlement of any breach of this Agreement by State One.

Where State One is suspended from CHES (by virtue of a liquidator, receiver, administrator or trustee being appointed) by the ASX Settlement through the issue of a Notice of Suspension, You may request that ASX Settlement Ltd (within 20 days) to either remove holdings sponsored by State One from CHES or that Your holdings be transferred to another sponsoring participant (a Participant Sponsorship agreement must be in place).

Where You do not instruct ASX Settlement within 20 days, ASX Settlement Pty Ltd may provide a substitute participant on the same terms as the Agreement. The new participant must provide You with a new agreement within 10 business days.

You acknowledge that You have been provided with an explanation of the Agreement and that You understand the effect of the Agreement. If, after reading this explanatory information (and the Agreement), You do not understand the effect of entering into the Agreement, please contact an Amscot dealer or the State One Compliance officer before signing.

In the event that You die or become bankrupt, Your holdings will be "locked" in accordance with the Settlement Rules, unless a legally appointed representative or trustee elects to remove the holdings from CHES. A "lock" will prevent transactions involving these holdings from being entered into until unlocked. In the event of death, the Agreement will continue for up to 3 months after the "lock" is removed.

For joint accounts, where one holder dies, State One will transfer all holdings to a new account in the name of the surviving account holder. The Agreement will remain in place under the new account.

For joint accounts, where one holder becomes bankrupt, State One will (unless legally appointed representative elects to remove holdings from CHES) transfer the interests of the bankrupt person to a new account in name of bankrupt person and request that it be "locked". The remaining holdings will be transferred to a new account for the non bankrupt holder.

4. Change of Controlling Participant

Where notice is given to You that State One will have a change of control (e.g. taken over or sold) You may:

- Do nothing or inform State One that You will accept to the change of State One's ownership change.

In such circumstances:

- the new controller of State One will become a party to the Agreement in place of State One;
- all rights will be transferred to the new controller;
- and
- State One will have no obligations to You from the effective date of change of control.

Before the transfer can take effect, the new controller must provide You with a notice indicating that they will act as Your Sponsoring Participant.

- Request the Agreement be cancelled by giving State One written instructions that You would like to transfer Your holdings to another broker or transfer Your holdings to one or more Issuer Sponsored Holdings.

The Agreement will continue to be in place for State One for any rights and obligations that have accrued before the change in controller takes effect (or You terminate the Agreement) and State One will be obliged to complete all CHES transactions that have arisen before this date.

5. Claims for Compensation

As a client of a Participant of ASX Group, Chi-X Australia and APX, you are entitled to lodge a claim for compensation (under their various compensation arrangements for each market) if you suffer loss due to default by State One in relation to trades in equities, warrants and exchange trade options.

The entitlement to make a claim is detailed under the statutory compensation arrangements specified in the Corporations Act and Corporations Regulations.

If State One breaches a provision of this Agreement and You make a claim for compensation pursuant to that breach, the ability of State One to satisfy that claim will depend on the financial circumstances of State One.

For more information on the circumstances in which a Participant Sponsored Holding may make a claim on the National Guarantee Fund or for information on the National Guarantee Fund generally, contact the Securities Exchanges Guarantees Corporation Limited.

6. Termination

The Agreement may be terminated if:

- State One becomes insolvent;
- State One's participation on CHES is suspended / terminated; or
- Either party provides written notification that they wish to terminate

Any rights existing before termination will not be affected.

7. Variation

Where there is an inconsistency between the Agreement and the Settlement Rules, the Settlement Rules will apply.

You will be notified of any significant change to the Agreement.

8. Additional information

Additional information on CHES can be obtained from the ASX website at:

6. CONTINGENT ORDER DISCLOSURE STATEMENT

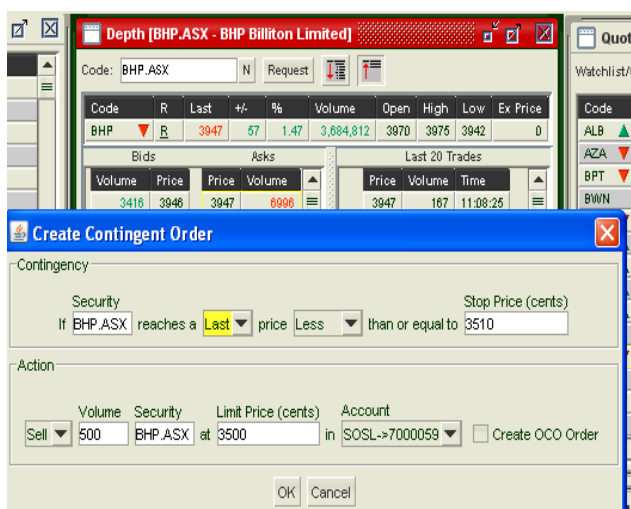

- a. a Stop Loss Contingent Order uses the last traded price on the market to determine whether the Trigger price condition has been met.
- b. a triggered Stop Loss Order does not guarantee that Your sale order will be filled;
- c. short term price fluctuations either upwards or downwards may cause Your order to Trigger and trade before the price recovers to its previous level; While this limits Your downside risk it may cause You to miss out on the upside profit gain. In addition, when a stock price falls rapidly, the limit price of Your order may be higher than the market price being offered when Your order is placed into the market. This may mean Your order will not be traded at the price You have set;

- d. You can amend Your order just like any other order. In addition, even if Your market conditions are met there is still no guarantee that Your order will trade, for example there may not be adequate liquidity in the market for Your order to trade completely;
- e. this Disclosure Statement does not disclose all the risks associated with the use of a Contingent Order. It should not be relied upon as a complete explanation of the risks involved with using Contingent Orders. If You need further explanation of the risks associated with the use of a Contingent Order, You should seek appropriate professional advice;
- f. while the intention of a Contingent Order is to limit losses to a certain amount, an order may not always be effective because market conditions may make it impossible to execute a particular instruction;
- g. market conditions such as illiquidity may make it difficult or impossible for **amscot**Online to find sufficient counterparty volume to sell stock between the Contingent price and the limit price; and
- h. this document has been prepared without taking account of the objectives, financial situation or needs of any particular individual. For, this reason, any individual should, before acting on the information in this report, consider the appropriateness of the information, having regard to the individual's objectives, financial situation and needs and, if necessary, seek professional advice.
