Dear Sir or Madam

Name: i - Select Superannuation Scheme
QROPS Ref: 504388

Thank you for your reply to our Information Notice dated 17 April 2015.

Your declaration is noted. We will maintain the reference number for the above scheme. Please quote this in all correspondence with us. The decision to maintain the reference number for the above scheme is based purely on your response to the information notice. HMRC reserve the right to remove this reference number if information becomes available that either the jurisdictional law or scheme rules cannot meet the Pension Age Test introduced on 06 April 2015.

Please note that, by maintaining a reference number for the scheme and/or publishing the scheme name on the GOV.UK website, HMRC is not confirming that it has verified any or all of the information you have supplied.

HMRC does not and has never certified, approved, or recommended any overseas pension scheme that contends or believes it has QROPS status. Any suggestion otherwise is incorrect. You must review all promotional (including online) material in respect of the scheme to ensure that this is made clear to existing and potential clients.

We take this opportunity to remind you of your reporting requirements at PTM112700 (<http://www.hmrc.gov.uk/manuals/ptmanual/ptm112700.htm>)

Yours faithfully,
Robert Corton
