Any representations, acknowledgements and consents relating to the Local Offering Documents shall apply only in relation to the Local Offering Documents applicable to the jurisdiction in which the Applicant is domiciled.

4. Payment for Shares and Rejection

I/We have made arrangements for payments to be made to the relevant bank account(s) for subscriptions and acknowledge that the Company reserves the right to reject any application in whole or part without assigning any reason therefore.

I/We hereby agree to indemnify and keep indemnified the Company, Manager, Investment Advisers, Administrator, Depositary, Distributor and Sub-Agents (together "the Company and its Service Providers") against any loss, liability, cost or expense (including without limitation legal fees, taxes and penalties) incurred or suffered by the Company or its Service Providers on reliance on representations (oral or written) that subscription payment arrangements have been put in place by me/us. I/We further agree to indemnify and to keep the Company and its Service Providers indemnified against any loss arising directly or indirectly in relation to my/our late and/or failed settlement arrangements.

5. Survivorship for Joint Applicants

Upon the death of one of the Applicants, the Applicants direct that all rights and entitlement to the Shares being applied for by the Applicants be held in the name of and to the order of the survivor or survivors or the executor or administrator of such survivor or survivors.

6. Service Fee, Trail Fee

I/We acknowledge and agree that Service Fees and/or Trail Fees (as described in the Prospectus) will only be payable to me/us if I/we have entered into a separate agreement with the Distributor which governs the payment of such fees.

7. Umbrella Cash Account

I/We understand that we operate a single, omnibus subscriptions/redemptions account for all of the Funds, in accordance with the Central Bank's guidance relating to umbrella fund cash accounts, through which subscription monies and redemption proceeds and dividend income (if any) for each Fund are channelled. I/We further understand that this subscriptions/redemptions account shall not have the protection of the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) Investor Money Regulations 2015 for Fund Service Providers, as may be amended from time to time (the "Investor Money Regulations") and that a risk exists to the extent that monies are held by the Company in the subscriptions/redemptions account for the account of a relevant Fund at a point where such Fund becomes insolvent. Upon receipt into the subscriptions/redemptions account, subscription monies, redemption proceeds or dividend income will be the property of the relevant Fund and accordingly I/we will be treated as a general creditor of the Company during the period such monies are held in the subscriptions/redemptions account. I/We note that further information on the operation of the omnibus subscriptions/redemptions account and the associated risks are disclosed in the Prospectus.

8. Anti-Money Laundering

I/We warrant and declare that the monies being invested pursuant to this application do not represent directly or indirectly the proceeds of any criminal activity and the investment is not designed to conceal such proceeds so as to avoid prosecution for an offence or otherwise.

I/We understand and accept that the Company and the Administrator, Distributor and Manager (together the "Service Providers") each reserve the right to seek evidence of identity to comply with applicable anti-money laundering and counter terrorist financing regulations (the "AML Requirements"), and I/we agree to provide the Company and its Service Providers with any such additional information or documentation as may be required.

I/We understand and accept that the Company reserves the right to compulsorily repurchase and cancel any Shares held by me/us where I/we fail to provide the necessary documentation to allow the Company or its Service Providers to comply with their respective obligations under applicable anti-money laundering and counter terrorist financing regulations.

I/We acknowledge that the Company or its Service Providers also reserve the right to delay or refuse to make any redemption payment or distribution to a Shareholder without notice if any of the Company or its Service Providers suspects or is advised that the payment of any redemption or distribution moneys to such Shareholder might result in a breach or violation of any applicable anti-money laundering or other laws or regulations including financial sanctions laws or regulations by any person in any relevant jurisdiction, or such refusal is considered necessary or appropriate to ensure the compliance by the Company or its Service Providers with any such laws or regulations in any relevant jurisdiction. I/We hereby hold the Company and its Service Providers harmless and indemnify them against any loss arising as a result of a failure to process the application if such information has been required and has not been provided by me/us and from any misrepresentation or breach of any warranty, condition, covenant or agreement set forth herein or in any document delivered by me/us to the Company or its Service Providers. I/We shall notify the Administrator immediately if any of the representations herein made are no longer accurate and complete in all respects.

I/We acknowledge that in accordance with applicable AML Requirements, redemption monies or dividend payments shall not be paid on un-verified accounts. In the event that I/we fail to submit the necessary documentation requested by the Company or its Service Providers as required under the AML Requirements, redemption monies or dividend monies will be held in an Umbrella Cash Account and shall remain an asset of the relevant Fund and I/we will not benefit from the application of any investor money protection rules (i.e. the redemption monies/dividend monies will not be held on trust for me/us). In such circumstances, I/we acknowledge that I/we will be unsecured creditor of the relevant Fund in respect of such redemption monies or dividend payments until such time as the relevant documentation required by the Company has been received to its satisfaction and the redemption monies/dividend payments have been paid to me/us.

I/We will comply with such beneficial ownership³ notices issued by the Company or its Service Provider on its behalf seeking beneficial ownership information.

I/We understand that it is an offence where I/we fail to comply with such beneficial ownership notices or where I/we make a false statement in respect of same.

I/We understand that where I am/we are a beneficial owner of the Company, I/we must notify the Company where the Company's beneficial ownership register does not contain my/our details and where I/we have not received a beneficial ownership notice from the Company.

Where I/we meet the definition of a beneficial owner as defined in the Beneficial Ownership Regulations I have completed the table overleaf.

I/We hereby agree to indemnify each of the Company and its Service Providers and agree to keep each of them indemnified against any loss of any nature whatsoever arising to any of them as a result of any of them acting upon Instructions. The Company and its Service Providers may rely conclusively upon and shall incur no liability in respect of any action taken upon any Instructions believed in good faith to be genuine and to be signed or given by properly authorised persons.

I/We shall provide the Company or its Service Providers with any additional information which it may reasonably request in connection with tax or other similar requirements in order to substantiate any representations made by me/us or otherwise and I/we authorise the Company or its agents to disclose such information relating to this application to such persons as they consider appropriate.

I/We understand and agree that any redemption proceeds paid to me/us will only be paid to a bank account in my/our name and with a recognised financial institution.

I/We agree to indemnify and hold harmless the Company, the Manager, the Administrator, and their respective affiliates, directors, members, partners, shareholders, officers, employees and agents from and against any and all losses, liabilities, damages, penalties, costs, fees and expenses (including legal fees and disbursements) which may result, directly or indirectly, from any inaccuracy in or breach of any representation, warranty, covenant or agreement set forth in this section or in any document delivered by me/us to the Company and shall notify the Company immediately if any of the representations herein made are no longer accurate and complete in all respects.

10. Additional Information, Outdated Information

I/We agree to provide to the Company, Manager, Administrator and/or Distributor at such times as each of them may request and to provide on request such declarations, certificates or documents as each of them may reasonably require connection with this investment should any information furnished to any of them become inaccurate or incomplete in any way, I/we hereby agree to notify the Company or the Administrator immediately of any such change and further agree to request the redemption of Shares in respect of which such confirmations have become incomplete or inaccurate. I/We agree to notify the Administrator of any change to my/our tax residency status.

11. Return of Values

For the purposes of the Return of Values (Investment Undertakings) Regulations 2013, I/we confirm that I/we are not Irish resident or ordinarily Irish resident (as defined in the Prospectus) and should I/we become resident in Ireland I/we will so inform you, in writing, accordingly.

I/We have completed the relevant non-Irish resident declarations in Appendix B accordingly.

12. U.S. Person, CFTC Requirements, FATCA, and CRS

I/We confirm that I/we are not U.S. Person(s) as defined in the Prospectus and I/we certify that the Shares applied for are not being acquired for the benefit of, directly or indirectly, any U.S. Person, in violation of any applicable law and I/we will not, subject to the conditions set forth in the Prospectus, sell or offer to sell or transfer Shares to a U.S. Person.

I/We confirm and warrant that I/we have executed this application form outside the United States (unless I/we is/are a professional fiduciary acting in a discretionary capacity for the account of a person who is not a U.S. Person other than an estate or trust).

Due to the particular investor composition, the PIMCO Emerging Multi-Asset Fund and Low Average Duration Fund may be considered "Commodity Pools" by the US Commodity Futures Trading Commission ("CFTC"). While these Funds may trade commodity interests (commodity futures contracts, commodity options contracts and/or swaps), including security futures products, the Manager is exempt from registration with the CFTC as a commodity pool operator ("CPO") pursuant to CFTC Rule 4.13(a)(3) with regard to each Fund. Therefore, unlike a registered CPO, the Manager is not required to deliver a CFTC disclosure document to prospective investors, nor is it required to provide investors with certified annual reports that satisfy the requirements of CFTC rules applicable to registered CPOs.

The Manager qualifies for the exemption under CFTC Rule 4.13(a)(3) with respect to each of these Funds on the basis that, at all times, interests in each Fund: (1) are exempt from registration under U.S. Securities Act of 1933; (2) are not marketed to the public in the United States; (3) are offered only to accredited investors, knowledgeable employees, and "qualified eligible persons" as defined in CFTC Rule 4.7; and (4) each Fund meets one or the other of the following tests with respect to its commodity Interest positions, including positions in security futures products, whether entered into for bona fide hedging purposes

or otherwise: (a) the aggregate initial margin, premiums, and required minimum security deposit for retail forex transactions, determined at the time the most recent position was established, will not exceed 5 percent of the liquidation value of such Fund's portfolio, after taking into account unrealized profits and unrealized losses on any such positions it has entered into; or (b) the aggregate net notional value of such positions, determined at the time the most recent position was established, does not exceed 100 percent of the liquidation value of such Fund's portfolio, after taking into account unrealized profits and unrealized losses on any such positions it has entered into.

In addition, the Manager may rely on such temporary relief from CPO registration with regard to the Funds as the CFTC may make available from time to time. I/We hereby agree that if the Company is required to comply with the rules of Sections 1471 through 1474 (inclusive) of the Internal Revenue Code of 1986 of the US, as amended, any current or future regulations or official interpretations thereof, any agreement entered into thereunder, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation thereof and similar international tax information exchange regimes, including the OECD Common Reporting Standard ("FATCA/CRS") in order to receive any payments without withholding tax and comply with reporting obligations. I/We will:

(i) provide the Company (or any nominated service provider) with any information, declarations, certificates or documentation necessary for FATCA/CRS reporting; and

(ii) permit the Company to:

a. share such information with the US Internal Revenue Service, Irish Revenue Commissioners or other relevant tax or other government authority as required by FATCA/CRS;

b. compel or effect the sale of the Shares or repurchase and cancel the Shares if it fails to comply with the foregoing requirement; and

c. make any other amendments to any other documents entered into in connection with the subscription ("Transaction Documents") as may be necessary to enable the Company to comply with FATCA/CRS.

To the extent that any Transaction Documents do not permit the Company to take any of the actions required for it to comply with FATCA/CRS, I/we hereby authorise the amendment of the any such Transaction Documents to provide for such action.

13. Electronic Communications; Recording of Phone Calls

I/We hereby acknowledge that any notice or document may be served by the Company on me/us in the manner specified from time to time in the Prospectus and, for the purposes of the Electronic Commerce Act 2000, if I have provided an email address or fax number to the Company or its delegate, consent to any such notice or document being sent to me/us by fax or electronically to the fax number or email address previously identified to the Company or its delegate which I/we acknowledge constitutes effective receipt by me/us of the relevant notice or document. I/We acknowledge that I/we are not obliged to accept electronic communication and may at any time choose to revoke my/our agreement to receive communications by fax or electronically by notifying the Company in writing at the above address provided that my/our agreement to receive communications by fax or electronically shall remain in full force and effect pending receipt by the Company of written notice of such revocation.

I/We consent to the recording of telephone calls made to and received from me/us by the Company, its delegates, its duly appointed agents and any of their respective related, associated or affiliated companies for record keeping, security and/or training purposes.

14. Data Protection

In signing this application form, I/we hereby consent to the Company and its delegates and their duly authorised agents and any of their respective related, associated or affiliated companies holding, using, disclosing and processing my/our data:

(i) to manage and administer my/our holding in the Company and any related accounts on an on-going basis; (ii) for any other specific purposes where I/we have given specific consent to do so;

(iii) to carry out statistical analysis and market research;

(iv) comply with legal, taxation, reporting or regulatory requirements applicable to the Company or me/us;

(v) for disclosure or transfer whether in Ireland or anywhere in the world including without limitation the United States of America, which may not have the same data protection laws as Ireland, to third parties including my/our financial advisor (where appropriate), regulatory bodies, tax authorities, auditors, technology providers or to the Company and its delegates and its or their duly appointed agents and any of their respective related, associated or affiliated companies for the purposes specified above; and

(vi) for other legitimate business interests of the Company.

The Company will hold any personal information provided by you in confidence and in accordance with the Data Protection Acts. The Company may send information about other investment services to you, by letter, telephone or other reasonable means of communication.

Please tick this box if you do not wish to receive such communications:

I/We hereby acknowledge the right of access to and the right to amend and rectify personal data as provided herein.

15. Management Fees and Distributions charged to capital

Shareholders should note that the management fees for certain Funds will be charged to the capital of the fund. Thus, on redemptions of holdings Shareholders may not receive back the full amount invested. Shareholders should also note that the distributions will be paid out of capital in certain Funds. As a result capital will be eroded and distributions will be achieved by foregoing the potential for future capital growth and this cycle may continue until all capital is depleted.

16. Structured Products

I/We hereby confirm that I/we will not structure any financial product which is linked in any way to this investment in the Company without obtaining the Company's prior consent.
